**AMENDMENT**

Intended to be proposed by Mr. KING to the bill (S. 3285) to provide for the regulation of interstate and foreign communication by wire or radio, and for other purposes, viz:

1       On page 50, line 23, after the first comma, strike out  
2 the remainder of the paragraph and insert in lieu thereof  
3 the following: "That the Commission may, without regard  
4 to the requirements of this subsection, grant applications  
5 for additional licenses for stations if the Commission finds  
6 that such stations are required in order to furnish adequate  
7 radio broadcasting service and that their operation will not  
8 interfere with the fair and efficient radio service of licensed  
9 stations."
